

MEET OUR NEW JUNIOR CURLING COACH

My name is Kali Richardson from Hanna, Alberta and I am very excited to be taking on the role of Head Coach for the U13 junior curling league! The 2021/22 season will be my third as a coach. I have curled my entire life and having the opportunity to pass some of what I've learned along the way to the next generation of players has been one of the most rewarding things I've ever done.

In 2014, I started my competitive curling career as a bantam. My major accomplishments over the years have been placing first at the SACA Bantam District B Curling Playdowns (2015), ASAA District Playdowns (2017), and Mixed Curling Zones Champions (2018). Along with competitive curling, I participated in ladies and mixed league at my local curling club.

I went to school at Olds College taking the Land and Water Resources program with a major in Environmental Stewardship and Rural Planning from 2019-2021. My first year

I tried out for the Olds College Broncos curling team and made it on the team. Due to the COVID pandemic, my second season was cut short as a Bronco.

My coaching experience started in 2014 when I was a dance teacher assistant for two seasons. In 2016, I was a T-Ball assistant coach for Hanna Minor Ball. I also volunteered to help coach the junior curling program in 2016 and 2017 for the Hanna Curling Club.

I am very passionate about the game, the process of developing player skills, bonding a strong and united team, and developing good work ethics during practices and games. It is my belief that as the coach it is my role to ensure that all of this can be achieved while having fun along the way. I look forward to a great 2021/22 curling season!
